Dear Mr. President:

On behalf of all American citizens committed to peace and justice I want to thank you for your efforts in furthering the peace process in Northern Ireland. It took a lot of courage to stand up to the British considering their power and influence in this country. Irish Americans will not forget you next November.

Please continue to place pressure on the English government to resume meaningful talks. It appears that Prime Minister Major has abandoned the cause of a just peace to save his conservative government. The loyalists have no greater legitimacy in the peace process than did the Dutch in South Africa. Ireland should be reunited and the Troubles laid to rest.

May God bless your efforts.

Sincerely,

Patricia A. Cleary
