Today we are rejoicing at the news from across the Atlantic. The people of Northern Ireland and the Republic of Ireland have decisively approved the April 10 accord. It is the culmination of a springtime of peace – and <sup>it MUST be</sup> the beginning of a long season of

happiness and prosperity. <sup>Most of all, I congratulate the Irish people</sup> I congratulate everyone <sup>for having the courage & will to vote for a bright future for their people</sup> who made this great day possible. I especially salute <sup>who stood for hope vs fear, future vs past. Unites?</sup> the courage of the leaders. As of today, peace is no

longer a dream – it is a reality. You have indeed

<sup>replaced over time, this - don't disagree they</sup> joined hope to history. <sup>are similar - agreed.</sup> I ~~pledge~~ <sup>we pledge</sup> that my

Administration will work with you to build a better future for all of our people.
