Honorable Bill Clinton
President
The White House
Washington
D. C. 20500

Dear President Clinton,

The Irish and British Prime Ministers have now set forth in a Joint Declaration an historic blueprint that offers a frame work for a just and lasting peace for the long suffering people of Northern Ireland.

As President of the largest Irish-American organization my members have asked that I write to you and urge you to continue to use the good offices of the United States to facilitate the peace process.

The months ahead will not be easy but we now have in place a frame work that can bring an end to a conflict that has gone on far too long.

Mr. President please continue your efforts. The people of Northern Ireland deserve nothing less.

Yours sincerely,

George J. Clough, Jr.
